#### NOTES:

- \*Teams will play league play consisting of playing all 5 other teams in group one time. Then final seedings will be set.
- \*After League Play is complete the group will be placed in a playoff based on final seeding to play their final 3 games (to finish the 8 game season).
- \* The schedule is ridiculously tight with holidays, playoffs and weather so all games are expected to play as scheduled. The bye week is to allow any weather cancellations to be rescheduled before Playoffs. Consolation matches are important to play and teams are expected to play them.
