

ARSENAL COLORADO

Calling all TOPS Buddies!

What: The Outreach Program for Soccer (TOPS) is a community-based recreational program specifically designed to help athletes with physical, cognitive, and developmental disabilities participate in soccer.

The emphasis of TOPSoccer is on learning soccer in a non-competitive environment. The basis of TOPSoccer is a modified version of the game of soccer, specifically altered to allow full participation and enjoyment for each athlete. Ages 4 and up.

Who are buddies?: TOPSoccer Buddies help TOPS players have fun, maintain a safe learning environment, act as positive role models and be their biggest cheerleaders! As a buddy you are a volunteer who participates with TOPSoccer players to enable player participation. Buddies can be the same age, younger or older, a teenager or an adult. Buddies can be a soccer player, someone who works with kids with special needs, or someone who has no soccer experience, but has a strong desire to enable TOPSoccer players to be successful and to have FUN.
