ARSENAL COLORADO

What: TOPSoccer is The Outreach Program for Soccer. TOPS is a community-based recreational program specifically designed to meet the needs of athletes ages 5 years and older who may not be able to keep up on a typical team for whatever reason; physical, cognitive, developmental, behavior, social needs. Player participation and development are key elements of the program as players are placed on teams according to ability and not by age. The basis of TOPSoccer is a modified version of the game of soccer, specifically altered to allow full participation and enjoyment for every athlete.

Each TOPSoccer fall session will include games and activities designed to meet the needs of players in a safe, friendly and FUN learning environment!
