Winter Futsal League Rules

1. Futsal is to be played indoors in two, 24-minute halves (2-minute half time). It will be a running clock, no time-outs.
2. Futsal is played with a standardized Futsal ball, which is slightly heavier, but the same size as a standard size 4 soccer ball.
3. Each team is to have 5 players on the court, including the goalkeeper. Substitutions are unlimited and can happen both during play and during breaks. Players are required to check into the substitution box and must wait for the player they are replacing to come off, before entering the court.
4. Goals cannot be scored from kick-off.
5. There is no offside rule.
6. All fouls will be indirect outside of the goalkeeper box. Fouls inside the box will be direct from the top of the arc on the dot.
7. Out of Bounds: kick-ins (cannot score of a kick in). Defending team/player must be approximately two yards from the line.
8. Goal Kicks are started from the goal keeper's hands. Once they put the ball down, it is live.
9. Goal Keepers cannot throw the ball over the half way line without the ball bouncing first. If they do it will be an indirect kick at the half way line for opposing team.
10. No Heading – any player that intentionally heads the ball opposing team will receive an indirect free kick.
11. No slide tackling.
12. If a team goes behind by four goals, they will be able to add an additional player. Once the goal difference is below four the team with an additional player will have to remove the extra player.
13. Team listed as “home” will kick-off to start the game. Opposing team will have kick-off to start second half.
